34         <h2>About Me</h2>
35         <p>I'm Shreepriya Singh, a 3rd year Artificial Intelligence student at KET Group of Institutions. I enjoy designing clean, user-friendly web interfaces and learning machine learning concepts. My academic focus is on Artificial Intelligence and its applications. I practice programming in C and Python, and I like to combine coding with aesthetics to make practical, polished projects.</p>
36         <p>Outside academics, I participate in coding challenges and enjoy collaborative group projects that teach version control and teamwork.</p>
37         <p>I'm always eager to learn, contribute to open source, and work on real-world problems.</p>
